Your are attending this course because ...

- ... you attended CG, CV and/or HCI already, and VR seems closely related
 - *Yes, you're right*
- ... you are interested in computer games, and VR seems similar
 - *At least, both fields have a significant overlap*
- ... because the course promises easy credits
 - *Maybe, but don't be too sure!*
- ... you have been told the teacher is cool
 - *Probably not*
